

Nelson and District Riding Club Grounds Rules

Presented and Passed January 12th, 2006

Horses

1. Horses are not to be stabled in or around the arena, catch pens, roping chutes or round pen.
2. Horses are not to be tied to the arena fence or announcer's stand and must be kept well away from the bleacher area.
3. Horses are not allowed in the concession area at any time.
4. Stallions must be kept under strict control at all times.
5. Sick horses are not permitted on the grounds.

Stabling

1. Stalls must be cleaned and limed when vacated.
2. Manure must be deposited in the designated area.
3. Smoking is not permitted in the barn area.
4. Stabled horses must be attended to twice a day including feed, water and bedding if left overnight.

General

1. All Junior riders **must wear a helmet** while riding at the grounds. All riders must wear a helmet when **jumping** anywhere on the grounds.
2. **Shoes or boots**, with heels, must be worn when riding with stirrups.
3. Riding in halters is not permitted. **Training in a halter in an enclosed arena is permitted.**
4. Fires are only permitted in the two designated areas (at the concession and in the parking lot).
5. Litter must be placed in the litter barrels.
6. No live trees are to be cut.
7. Dogs must be kept under strict control or they must be removed from the grounds. Dogs are not permitted in the concession area.
8. Arena and main barn lights must be turned off by 11:00 pm and noise kept to a minimum.
9. In the main arena, equipment must be put away after use, not left in the arena.
10. The last person leaving the grounds is to close the gate.
11. For safety reasons, **Electrical hook - ups are not permitted** between the barns and recreational vehicles.
12. No long distance calls are to be made from the N.D.R.C. phone located at the barn
